

10 ways EROAD's RUC solution can benefit your business

Want a better way to manage your RUC compliance and maximise your off-road (RUCOR) rebate claims?

Here's 10 ways EROAD can help save you time and money on RUC for your business.

1. Saves on admin
2. You can top up your RUC anytime or auto-top it up before it runs out
3. Accurately records all 'off-road' travel
4. Fully automates the off-road RUC (RUCOR) claim process
5. Automatically adjusts to NZTA RUC price changes
6. Buy additional weight licences whenever you need them
7. Check the RUC status of any vehicle online, at anytime
8. Buy only the legally minimal RUC amounts at any one time
9. Cuts out the need for paper licences or vehicle down-time
10. Reduces risk of accidental non-compliance
