

# EROAD ASSET TRACKER

EROAD Asset Tracker is an ultra-small, waterproof, satellite-ready tracking device, which accurately tracks and monitors mobile assets, wherever they are located, and provides a daily location update.

## Protect your valuable mobile assets

You need to be confident you can keep track of your mobile assets and protect them, even when they are out of cellular coverage.

Track all of your assets in one place with EROAD Asset Tracker, an ultra-small, waterproof, satellite-ready tracking device. It accurately tracks and monitors trailers, generators, and other mobile assets, wherever they are located.

A combination of ultra-small size and long-life battery makes Asset Tracker easy to mount to any asset, enabling you to monitor it at all times.

## KEY BENEFITS

**Keep your assets covered** Tracks any mobile asset, anywhere in the world, using the satellite network, so you never have to worry about coverage

**Built for all environments** Reliable, robust, waterproof device with one-year battery life can be mounted to any asset to ensure monitoring in any environment

**Easy install** Asset Tracker is fast and easy to install, with no wiring requirements

**See all your assets at once** EROAD web application, Depot, provides comprehensive view of your assets in one place

The screenshot displays the EROAD web application interface. At the top, there is a navigation bar with the EROAD logo and menu items: ACTIVITY, RUC, SERVICE, DRIVER, and REPORTS. On the right side of the navigation bar are icons for a list, settings, and help. Below the navigation bar, there are tabs for 'Vehicles', 'Drivers', and 'Geofences', with a checkbox for 'Include Trailers'. A search bar is present, and a dropdown menu shows 'All Groups (Fleets)'. A table lists several vehicles with columns for Status, Name, and Last Location. The table data is as follows:

Status	Name	Last Location
	733 - Mike	10:28 Canterbury Heights
	964 - Rob	13:38 Near Ormsby Rd, Puket
	978 - Kurt	00:36 Se 31st Ave, Near Port
	358 - Noel	14:16 Sw Bond Ave, Near Po
	688 - Doug	00:00 Shetland Pl, Near Wes
	942 - Chris	00:36 Noble Ln, Near West L

The main area of the interface is a map showing the location of vehicle '964 - Rob' near Ormsby Rd, Puketotara, Waikato. A pop-up window for '964 - Rob' provides details: Plate: 0-2862209, Make / Model: ASSET TRACKER, Battery: Good, Timezone: Auckland (NZDT), and Group (Fleet) Membership: Assets. The bottom of the interface shows a 'Log out' button and a copyright notice for 2017 EROAD.

## ASSET TRACKER\_1.0

### KEY FEATURES

- › Reliable one location update per day
- › Monitor the asset within Depot web application
- › Receive geofence entry and exit notifications during movements
- › Suitable for all outdoor conditions with IP68 (ingress protection rating)
- › Enjoy a long battery life with hassle-free maintenance
